## SELECTMEN'S REPORT

The selectmen congratulate Road Agent Dunn on his 15 years of service to the town. The roads continue to improve in spite of nature's best efforts to thwart the process.

The town survived 1988 with only occasional setbacks. Selectman McManus moved on to greener pastures, the police chief resigned, a highway storage shed burned down and the fuel tank at the highway barn was erroneously diagnosed as "leaking".

On a positive note, some of this report was prepared on a computer generously donated by Bronson Potter. Mrs. Craig has taken to word processing!

We hope you have taken the time to admire the new addition at the highway barn. It was put together from scrounged telephone poles, recycled roofing, donated materials and monies from the insurance settlement. Yankee ingenuity at its best.

The selectmen hired a new appraiser that will be available to discuss your tax cards after the tax bills are sent (our old appraiser enjoyed Florida during the winter). We hired a new police chief and await his relocation to town so we can give him a proper welcome.

We would like to thank all those who contributed to the town report. Special thanks to Deborah Downey for her work with the financial figures and Barbara Stockman for assistance with the typing.

This year town meeting will address several large warrant articles that reflect the fact that the town continues to grow. Past efforts at putting aside Capital Reserve monies appear to have been inadequate. Come help us decide the town's priorities.

# MASON TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

The polls will be open from 12:00 noon to 7:00 P.M. at

Mason Town Hall

To the inhabitants of the Town of Mason, in the County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to come to the polling place at the Town Hall in Mason at 12:00 noon on Tuesday, the 14th day of March, 1989, for the election of Town Officers pursuant to Article 1 of this Warrant, bringing in your ballots for the following:

Selectman	3 years
Selectman	1 year
Auditor	1 year
Library Trustee	3 years
Trustee of Cemeteries	3 years
Trustee of Trust Funds	3 years
Trustee of Trust Funds	2 years

The polls will be open continuously until 7 p.m. when they shall be closed.

You are hereby notified also to meet at 8 p.m. of the same day and at the same place to act upon Articles 2-16 of this Warrant.

1. To choose all necessary Town Officers for the ensuing terms.
2. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow money in anticipation of tax receipts.
3. To see if the Town will vote to raise and appropriate the sum of One Hundred and Fifty Three Thousand Five Hundred Dollars (\$153,500) for the purchase and original equipping of a new Fire Truck and for any costs incurred in issuing bonds or notes to purchase said Truck; and to authorize the issuance of One Hundred Thousand Dollars (\$100,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33), and to authorize the Selectmen and the Town Treasurer

to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of Fifty Three Thousand Five Hundred Dollars (\$53,500) from the Fire Truck Replacement Capital Reserve Fund created for this purpose, or take any other action relative thereto.

4. To see if the Town will vote to raise and appropriate by taxation, or borrowing, or otherwise, the sum of Five Hundred and Five Thousand Four Hundred and Thirty Five Dollars (\$505,435) for the operation and expenses of the Town for the year ensuing, or take any other action relative thereto. (Majority Vote Required)

5. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to improve and pave a section of Darling Hill Road, or take any other action relative thereto.

6. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to install two fuel tanks at the Highway Town Barn, or take any other action relative thereto.

7. To see if the Town will vote to establish the Cemetery Land Purchase Capital Reserve Fund to be used for the acquisition of land for new cemeteries for the Town, and to raise and appropriate the sum of Forty Five Thousand Dollars (\$45,000) to be added to this Fund, and to authorize the Selectmen to expend \$45,000 from this Fund for the acquisition of land, or take any other action relative thereto.

8. To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) to be added to the Fire Truck Replacement Capital Reserve Fund, or take any other action relative thereto.

9. To see if the Town will vote to raise and appropriate the amount of Four Thousand Four Hundred and Twenty Four Dollars and Thirty Eight Cents (\$4,424.38), representing the Town's portion of the cost of road repairs relating to the 1987 flood monies granted under the Federal Emergency Management Act; such funds to be used for road repairs, or take any other action relative thereto.

10. To see if the Town will vote to raise and appropriate the amount of Eighteen Thousand Dollars (\$18,000.00) to purchase the portable school building that is presently located on the Town Common, or take any other action relative thereto.

11. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to purchase a used Dump Truck, and to authorize the withdrawal of Five Thousand Dollars (\$5,000) from the Highway Capital Reserve Fund created for that purpose, or take any other action relative thereto.

12. To see if the Town will vote to raise and appropriate the sum of Thirty One Thousand One Hundred and Sixty One Dollars and Ninety Five Cents (\$31,161.95) to be added to the Highway Capital Equipment Reserve Fund, and authorize the use/transfer of the December 31, 1988 fund balance for this purpose, or take any other action relative thereto.

13. To see if the Town will authorize the Selectmen to transfer any and all interests in the Town's 30 year old fire pumper (FWD) to the Mason Volunteer Fire Department, Inc., or take any other action relative thereto.

14. To see if the Town will authorize the Selectmen and the Town Fire Chief to enter into agreements under RSA 154:24 with other towns within the Souhegan Mutual Aid Fire Association and the towns of Townsend and Ashby, Massachusetts, for the purpose of giving and receiving mutual aid, or take any other action relative thereto.

15. To see if the Town will vote to authorize the Selectmen to expend Federal Emergency Management (FEMA) Funds and State Emergency Funds paid to the Town for any and all highway expenses in compliance with state and federal law, or take any other action relative thereto.

16. To see if the Town will vote to hold the Annual Town Meeting on the Saturday following the second Tuesday in March at 9:00 AM in the Mason Town Hall, or other facility as appropriate to house the number of attendees. (By Petition)

Mason Town Meeting

The meeting was called to order by Moderator Catherine Schwenk at 12:04 P.M.. She read the school warrant and the Town Clerk read the town warrant through article 1. There were 541 on the check list. The polls were closed at 7:03 P.M. after 208 had voted. This included one absentee ballot.

The results of the election are as follows:

Moderator: Catherine Schwenk 113, David Ahern 88  
Selectman : Clifton W. Hastings 184  
Treasurer: Corinne R. Hall 180  
Supervisor of the check list (4 years) Alma J. Tibbetts 191  
Supervisor of the check list (6 years) Write ins: Sarah Fortin 33  
Auditor: Write ins: George Schwenk 15  
Library Trustee: Jeanne B. Demanche 113, David Ahern 83  
Trustee of Cemeteries: Write ins: Wolfgang Millbrandt 6  
Trustee of Trust Funds: Write ins: Virginia Abbott 19  
  
School Board Member: Arthur C. Godjikian, Jr. 195  
Moderator: Catherine Schwenk 168, Write ins: David Ahern 15

The meeting was reopened at 8:10 P.M. The moderator stated that the safety code capacity of the Town Hall was 120. Chief Berry had firemen placed at all emergency exits as an extra precaution.

Rev. William J. Donoghue gave the invocation. Scouts Andrew Chase and Steven Chase presented the colors and lead us in the salute to the flag.

State Senator Barbara Pressly extended greetings to our voters.

Rev. Donoghue gave a tribute to outgoing Selectman Henry Abbott. Included in his comments were remarks pertaining to John Adams, a selectman from earlier days of our country. Selectman Phillips gave tribute to the Mason Volunteer Fire Department, which had just completed 25 years of service to our community. It was announced that the Mason Historic District Commission had received funding from the Yankee Intern Program for a Historic Architectural Survey of the District.

• A memo had been passed out to voters from the Financial Advisory Board with comments on the 1988 budget. This also included a comparison of appropriations made to the different departments over the last six years.

Article 2. Voted to authorize the Selectmen and the Town Treasurer to borrow money in anticipation of tax receipts.

Article 3. To see if the Town will vote to raise and appropriate by taxation, or borrowing, or otherwise, such sums of money as may be necessary for the operation and expenses of the Town for the year ensuing, or take any other action relative thereto.

A motion was made and seconded to raise and appropriate by taxation the sum of \$271,276 for the operation and expenses of the Town for the year ensuing, or take any other action relative thereto.

A motion was made and seconded to amend the Library budget by reducing the total of line item #49 from \$13,921 to \$13,461. This motion carried.

At this time a motion was made and seconded to recess this meeting until such a time and place that will safely accommodate all interested voters. Several residents spoke on the problem of the crowded Town Hall for said meetings. Input was given by the present and former Fire Chiefs as to the possible danger of over taxing the facility. A motion made to add a date to the motion was denied. After much discussion, the motion to recess was voted down.

Discussion was held on the line items. A question was raised concerning the budget figure presented. In the past, a larger amount was always voted on. The present board and advisors had chosen to present the smaller figure in Article 3.

A motion from the floor to cut each line item by 10% was defeated.

A motion to cut several line items by a total of \$14,311 was defeated.

Discussion was held on which amount should be voted on.

A motion to reduce the amount needed from \$446,339 to \$411,021 was lost.

A motion was made and seconded that the Town vote to raise and appropriate by taxation the sum of \$445,839 for the operation and expenses of the Town for the year ensuing, or take any other action relative thereto. This motion carried.

Article 3. The Town voted to raise and appropriate the sum of \$445,839 for the operation and expenses of the Town for the year ensuing. This includes the reduction in the Library budget and an additional \$40 which will be adjusted at a later date.

A motion to advance Article 13 to follow Article passed.

Article 13. I move that the Town vote to prohibit the taking of wild game by use of any firearm other than, shotgun (loaded with a single shot) muzzleloader or bow and arrow in the Town of Mason.

A motion was made and seconded to amend the article as follows:

To see if the Town will vote to prohibit the taking of wild deer by use of any firearm other than shotgun (loaded

with a single ball, or loose buckshot) muzzle loading rifle or bow and arrow in the Town of Mason. The motion to amend the article was defeated.

A heated discussion followed: Voters gave permission to have a letter read from Ellen Rice, Executive Director of the N.H. Wildlife Federation pertaining to this subject. A secret ballot was requested in accordance with RSA 40:4A.

Article 13. This article was defeated by a vote of 34 yes, 142 no.

Article 4. The Town voted to raise and appropriate \$1,000 to the Conservation Fund as authorized by RSA 36-A:5 and authorized the Selectmen to accept private donations of land, interest in land, or money to be deposited into the Conservation Fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorized the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lessor interest in conservation land. Said appropriated or donated funds and state matching funds may be expended by majority vote of the Conservation Commission.

Article 5. The Town voted to adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure effective April 1, 1988. The vote by ballot was 86 yes, 45 no.

## HIGHWAY DEPARTMENT REPORT

The year of 1988 was a very busy year as we finished up the FEMA projects left from the 1986 Flood. We have a 1987 flood project still to be done in the summer of 1989 which will complete all the projects from the 1986 and 1987 floods. We did a lot of grading of our gravel roads this year. We treated some of our heavier traveled gravel roads which was very effective. The roads stayed smoother longer and we had to grade them fewer times. We hauled out approximately 1100 yards of gravel on our gravel roads during grading to improve some of the weaker spots.

Our paved roads were all patched during the year with pugmill patch made in our pit. We also skimmed several areas with pugmill mixed materials with our graders. With our grader and loader we ditched, approximately 3.5 miles of road before they were patched and sealed. We removed many stones out of paved roads before we sealed them.

Unfortunately in June 1988 we had a fire in a storage trailer the ruined or destroyed a lot of our valuable items which we are now in the process of replacing. We are building a pole shed to replace the lost storage area which will be large enough to store two pieces of equipment out of the weather.

I would like to thank the employees, other town departments, and local residents, who have given their time, effort, and advice during the year. We appreciate this support in making our highway department operate more efficiently.

Curtis M. Dunn  
Road Agent

## MASON POLICE REPORT

Since starting as your new Chief of Police on Oct. 18, 1988, I have endeavored to meet as many residents of our Town as possible. To those of you who I have missed, I invite you to come down to the Station at any time so I can meet you personally. Much has been done to modernize and update the Department in the few months that I have been here. New radio equipment has been added, and more emphasis on training our officers has undertaken.

Some of my goals for 1989 include:

1. Establishment of a Police Athletic League (P.A.L.) Soccer Team Grades (K-4)
2. Monthly or Bi-Monthly Seminars for youths in Jr. High and High School grades/ Topics such as Driver Responsibility, Youths and Drugs, Alcohol Awareness for Teens, and Careers in Law Enforcement would be offered in an informal atmosphere.
3. Legal Seminars for Adults Bi-Monthly could be offered on various topics of interest; ie. Home Security, Theft Prevention, Self Defense for Women, Handgun Ownership and its responsibilities, set. These are but a few of the areas to be explored.

My vision for the future is to provide a well trained, professional Police Department for our Town, and in cooperation with, and with support from our citizens, I intend to make Mason a Happy and Secure Place in which to live.

Sincerely yours  
Kenneth J. Fanning  
Chief of Police

## MASON PUBLIC LIBRARY

The year 1988 saw a continuation of many programs and activities from the library including Storytimes for children ages 3-6, the monthly Friday Night at the Movies, a summer reading program for school-age children with a wrap-up celebration featuring entertainer Dennis Kane. There were special programs again for Halloween, including creepy stories by Bill Donoghue, for National Children's Book Week, with a talk on children's literature by Elizabeth Orton Jones, and for Christmas, there was a very well attended family get-together as part of the Mason Christmas activities. In fact, over 650 people participated in these library sponsored programs, making the library staff, volunteers, and trustees realize the importance of their commitment to library service. A Thank-you Tea was given in October for library volunteers to show our appreciation.

The library has attempted to meet New Hampshire Public Library Standards and better serve the Mason community by increasing library hours. Morning hours were added on Tuesdays as well as a closing time of 5:00 on Tuesdays to accommodate older students. Librarian Diana LeBlanc has also begun giving library skills instruction to the third and fourth graders of Mason Elementary School in hope that they will gain a basic knowledge of library systems to aide them in their present and future library research.

A fire-proof book deposit box was built and installed to comply with fire safety regulations. Funds for that project were provided by the Ellen Augusta Worcester Wilson Trust Fund.

Near the close of 1988, the library received the exciting news that the application to the John D. and Catherine T. MacArthur Foundation Library Video Classics Project was approved and the library now has over 100 hours of award-winning PBS programming available for circulation.

Future goals for the library include a concentrated effort to complete the shelflist file required by the standards set for public libraries in New Hampshire. We hope to have work days using teams of volunteers to accomplish this important task.

By mid-April the library expects to have borrower's cards ready to give our patrons with assigned numbers to use in signing out library materials. This is the first step in protecting the privacy of our patrons which has become a concern in the library community throughout the United States in recent years.

## FIRE DEPARTMENT REPORT

This past year the Fire Department has been busy in many areas. The biggest item was drawing up the specifications for the new pumper truck. What we are hoping to have built will closely resemble the truck the town bought fifteen years ago but, we also must follow the standards and regulations of today. Fire trucks don't seem to follow along with the cost of inflation and each year it is put off, the cost could rise as much as 15%.

Last February three members graduated from the State Level 1 Fire School, and in the fall another member enrolled in the class. These firefighters went two nights per week, for a total of 110+ hours. Both they and their families are to be commended for the time and effort taken to complete this course. At the urging of our insurance carrier this is probably part of the reason new members are not rushing to join. If you are interested, see any member for information.

Our fire calls were up and this will continue to happen as the town grows. Remember even though you live in a small town your fire department must train for the same problems that happen in the big cities. Federal laws now require that the fire department be sent data sheets on any hazardous materials stored by businesses.

Last fall at the Special Town Meeting twelve fire codes were passed by you, the townspeople. Eight of these apply to businesses and four to new construction. This is now added to the regulations the town has on unvented space heaters and on fire/burglar alarms.

Due to space limitations a breakdown of fire calls will not be given.

	number	man hours
Fire Calls	61	1,344.6
Business Meetings	12	543.0
Officers Meetings	12	120.0
Fund Raisers	3	696.0
Drills	36	1,331.0
Fire Truck Committee Meetings	21	520.0
Furnace permits issued	20	
Inspections of businesses	5	?
Private residences at homeowners request	9	?
Additional hours spent by your Chief		320.0
<b>TOTAL</b>	<b>185</b>	<b>4,874.6</b>

At this time I wish to point out that the man hours cost the town nothing. As townspeople we are all lucky to benefit from this dedication.

Monies budgeted by the department for fire protection will be raised through fundraisers to make up the balance of what it will take to operate in 1989. \$12,600

We thank you for your support.

Bruce W. Berry, Chief

#### REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were children, fires kindled without permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603)271-2217, or local Forest Ranger.

On January 1, 1989 the Deceptive Forestry Business Law (RSA 224:54 goes into effect. This law in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

CONSERVATION COMMISSION  
Mason, New Hampshire

ANNUAL REPORT, 1988

The Conservation Commission meets on the second Wednesday of each month at the Mann House at 8:00 P.M.

During 1988, the Commission reviewed numerous wetland alteration applications for various size projects. Several of these applications were in conjunction with subdivisions. The Commission worked with the land owners and developers to reach acceptable agreements in order to avoid future drain-age problems and minimize the impact of development on the Town's natural resources.

With 1986 storm damage repairs completed under FEMA (Federal Emergency Management Agency) funding, and with help from the Mason Highway Department, the Commission began implementation of its long range plan for railroad embankment. management. The plan includes short term erosion control projects to maintain the embankment as a public area for limited recreation. In addition, the long range plan calls for periodic grading and drainage ditch maintenance, and included construction of barricades to bar full sized motor vehicle access, and improvement of parking spaces.

The newest Commission member, Bob LaRochelle, brings to the Commission valuable expertise in drafting and surveying, Bob has taken on the task of producing new maps suitable for a variety of uses by the Conservation Commission as well as other Town boards.

The Commission continues to search for, and has openly solicited, donations of land or conservation easements. The fair market value of any such donation may be matched under the Local Conservation Initiative Program sponsored by the Trust for New Hampshire Lands. Any funds accumulated under this program would be used to acquire other lands or conservation easements.

## RECYCLING CENTER

Anyone who has read a newspaper this past year couldn't help but realize the seriousness of the solid waste crisis this country is facing. Those of you who use the Recycling Center can feel especially good about participating in one of the solutions to this crisis.

As 1988 comes to a close, so has another successful year of recycling. The expanded plastics recycling program at the center has kept unnecessary plastics out of the incinerable waste stream. The new steel can program netted the center \$224. Although this seems like a small amount for your efforts, this is the first time in many years we have not paid countless dollars to dispose of steel cans. Land filling cans could have cost as much as \$3,600.

The Recycling Center earned \$41,000 in 1988 through sale of recyclables and other income. An award for "Best Drop-Off Recycling Center" was presented to the center by the NHRRA at their annual meeting in November. Renewal contracts with the five other participating towns are due in 1989.

The Recycling Center staff would like to thank everyone who uses the Center. Only through your participation efforts are we able to share the progress achieved in facing a difficult national problem. We look forward to 1989 with promise and your continuing support.

## ANNUAL REPORT TO TOWNS-1988

The Souhegan Valley Ambulance Service, Inc. continues to provide efficient professional quality service to the communities of Greenville, Mason, New Ipswich and Temple. This service is possible only through the dedication of our well-trained Driver/ Attendants, all of whom are volunteers. Most of these volunteers are now Nationally Registered Emergency Medical Technicians Ambulance. Many have also undergone advanced training to become EMT-Intermediates, which includes administering IV's and Advance Life Support Techniques. At least three attendants are scheduled to be on call every night from 6 to 6, thus each attendant is scheduled approximately 7 times a month, plus answering calls during the day whenever possible. Day times still remain to be very difficult to cover, so there presently exists a need for volunteers who are able to spare some of their time to the Service. Any resident of the four towns interested in joining the Service are encouraged to contact any attendant or member of the Board of Directors.

In 1988 the Service replaced the 10 yr. old Cab & Chassis with a new Ford Diesel Cab & Chassis. The box was mounted onto the new chassis with the some modifications including a new poured floor, new upholstery, etc. All of this was done at an approximate price of \$32,000. A complete new ambulance set up the same as this one would have cost \$74,000.

The Souhegan Valley Ambulance Service continues to operate at no expense to the individual requiring Emergency Medical Service. Last year we made 296 actual runs and this did not include standbys for fires or for stressful athletic events. The projected annual per capital cost for 1989 for the four town area is \$4.82 which is an increase over last year. The biggest increase in cost is in the insurance. Because of spiraling cost in automobile insurance, also in liability insurance. We had to appropriate a larger amount to cover our needs. The other parts to our budget have not changed much. We work very hard to keep costs down. Your generous donations have enabled us to buy up-to-date equipment, such as new portable radios and pagers and many large much needed medical equipment. For these we thank you very much.

Our main goal in 1989 is to acquire a piece of land and make plans to build a building to house our ambulances. One ambulance now is housed in the Greenville Fire Station, the other in the Police Station in New Ipswich. However, each place is very small, crowded and has absolutley no room for much needed training and hold all the meetings that are required to run the service.

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.  
REPORT TO THE TOWN OF MASON  
JANUARY 1, 1988 - DECEMBER 31, 1988

ANNUAL REPORT

In 1988, Home Health Care and Community services continued to provide home care and community services to the residents of Mason. The following information represents a projection of Home Health Care and Community Services provided from January through September 1988 and an estimate of usage during October, November & December

SERVICE REPORT

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	6 Visits
Child Health Nursing	0 Visits
Physical Therapy	3 Visits
Speech Pathology	0 Visits
Occupational Therapy	0 Visits
Homemaker	0 Hours
Home Health Aide	4 Visits
Medical Social Worker	0 Visits
Nutritionist	0 Visits
Well Child Program	3 Children
Total Unduplicated Residents Served: 12	

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1988 with all funding sources is projected to be \$1,363.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town. In 1988, town support for these services totaled \$1,200.00. We recommend an appropriation of \$1,200.00 to continue home care services at the current. Thank you for your consideration.

## HISTORIC DISTRICT COMMISSION REPORT

The HISTORIC DISTRICT COMMISSION was accepted by the National register of Historic places for a Yankee intern to perform a historical architectural survey of the Historic district and several satellite locations. Unfortunately the intern at the last moment accepted a position in another state. We submitted a petition to the Selectmen to raise the necessary matching funds. This work is usually done before a District is established. The need for this survey continues.

Extensive research and time was spent on the addition to the Mason Elementary School.

We hope you will pause as you travel up and down valley Road, across from the Church, to look at the area now cleared of overgrown shrubs, brush, etc. Visible for the first time in many years is the path taken by the militia when they marched from the Church for drills.

We appreciate the assistance given to us by our Town Employees and State Officials and thank you for your continued support.

Catherine Schwenke,  
Chairman

## WATER HOLE COMMITTEE REPORT

During 1988 the Mason Water hole Committee replaced some plastic pipe fittings that were lost in a storage shed fire. The committee also cleaned out two water holes as part of an ongoing maintenance program of water holes.

Plans for the future include getting new water holes numbered to match the town numbering system, and purchasing signs for water holes with the number on them..This will aid the Fire Department in locating the water holes quickly and efficiently.

Respectfully,

## CIVIL DEFENSE

This year saw the completion of a two year effort to develop and publish an Emergency Management Plan for the Town of Mason.

This Plan is an ACTION PLAN and covers the majority of the disasters and/or emergencies which might take place within Mason's boundaries. For the first time, the chain of command and required actions are spelled out.

Many thanks to The Selectmen, The Road Agent, The Fire Chief, and The Chief of Police who all gave of their time and knowledge to put this Plan together.

**SUPERINTENDENT'S REPORT  
MASCENIC REGIONAL SCHOOL DISTRICT**

I am pleased to submit my fifth report to the District for the 1987-88 school year.

The school year began with a student enrollment of 1,205 students, with 518 secondary students and 687 elementary students. This represented an overall increase of 23 students from the previous year's enrollment.

At the elementary level Joan Breault and Karen Moorman joined the Greenville staff and Sandra Perfito joined the Mason staff. Heidi Cadwell joined the New Ipswich Central staff and Mary Deck and Maureen Nelson joined the Appleton staff. Patricia Bernard was appointed Elementary Music teacher. Richard Annis was appointed Associate Principal, replacing Andre' Goyer and Carol Sheehan was appointed part-time Assistant Principal. At the secondary level, the following teachers joined the high school faculty: Robert Clark/Physical Education, Gail Fairbanks and Cynthia Hannon/Mathematics, Anne Masse and Deborah O'Toole/English, Douglas Miller/Music, Chandrika Sharma/Special Education and Michael Whalen/Social Studies.

At the annual meeting the Mascenic School District approved a budget of \$13,845,068.00 and approved construction of a new middle school with a 600 student capacity, a high school renovation and addition to house 500 students and a large addition to the Mason elementary school. This construction project should satisfy Mascenic School District space needs until the mid-1990's, and the project includes space for a district kindergarten program which will begin in September of 1990.

This building project represents a dramatic advancement for Mascenic education. It is the goal of all of us involved with Mascenic schools that this project mark the first of many significant improvements in the educational opportunities offered to the children of New Ipswich, Greenville and Mason. A great many people worked countless hours to bring this proposal to a successful vote. On behalf of Mascenic students, teachers, administrators and school board members, I would like to thank everyone in our three towns for your generous and gratifying support and for making this project a reality.

Bruce Hamilton was re-elected to a three year term as New Ipswich representative, Arthur Godjikian was re-elected to a three year term as Mason representative and Mark Winslow was elected to a three year term as Greenville representative, replacing George Doonan. Steven Lizotte was appointed by the School Board to fill out the year for Diane Beckman who resigned as Greenville representative. Matt Beckman was re-elected as student representative. Carol Grass was appointed School District Treasurer and Luann Keddy was appointed School District Clerk. Bruce Hamilton was re-elected co-chairperson.

Each school district in School Administrative Unit No. 63 approved the addition of an Assistant Superintendent to the central office staff at its March 1988 meeting. A committee of School Board members, administrators and teachers screened more than forty candidates for the position. The School Administrative Unit No. 63 Board selected Ms. Francine Fullam for the position from among three finalists. Ms. Fullam assumed her responsibilities August 1, 1988 and is currently participating in all aspects of central office administration.

Your School Administration looks forward to working with the school staff and the three communities to provide the best possible education for the children of New Ipswich, Mason and Greenville. We wish to thank the members of the School Board and communities for their confidence in us and their support of our efforts.
